Summer Camp & Fall After-school Program

Founded by a MBA and a ECE certified teacher, Creative Kids emphasizes on academic achievement and a fun learning experience. Our teachers have extensive teaching and business backgrounds. They are patient, loving and always there to help. We provide a safe, noncompetitive environment with carefully designed programs. We care about your children, our future!

After School Program

Our mission is to offer a quality and affordable after school program. We provide a safe, fun and structured environment where kids spend after school hours productively. Our carefully designed curriculum will greatly enhance student's competence in all subjects of their school.

We have two campuses both equipped with security access systems, and we don't overload our classroom. Our teacher student ratio is 1 to 15.
